Public Review and Comment: As the policy body that oversees the Capitol Corridor intercity train service (Auburn-Sacramento-Davis-Suisun/Fairfield-Martinez-Emeryville/San Francisco-Oakland-San Jose), the Capitol Corridor Joint Powers Authority (CCJPA) Board of Directors has released its draft business plan for FY 2012-13 and FY 2013-14 for public review and comment. The business plan will be available on the CCJPA website (www.capitolcorridor.org) on Friday, January 20. If you need any assistance, please call the CCJPA customer comment line at (510) 464-6995. Comments on the plan are due by **Monday, February 6, 2011** and can be submitted via the website or to the CCJPA mailing address.

Public Workshops: As part of the public review process, the CCJPA invites members of the public to attend the series of annual workshops to have input into the future plans for the Capitol Corridor (fares, schedules, stations) as the CCJPA Board seeks to make the train service the preferred means of travel along the congested I-80/I-680/I-880 highway corridor. The schedule for the public workshops is provided below:
